

Virtual Medical Centre Inc. Non-Executive Director Resigns

Marina Del Rey, CA. Tuesday, May 11 2011 – Virtual Medical Centre, Inc – www.virtualmedicalcentre.com (OTCBB: Symbol VMCT) announced today the resignation of Mr. Clifford Rosenberg as a non-executive director of its Board of Directors.

“My resignation in no way reflects on my confidence and support of the business,” said Mr. Rosenberg. Mr. Rosenberg’s decision was one based on his commitments in Sydney, Australia and his own increasing workload. Mr. Rosenberg was recently appointed to the position of CEO for LinkedIn Australasia.

“We were grateful to have the services of Mr. Rosenberg for the last several years and totally understand that the new business challenges he faces deserve his full attention, and of course we wish him well. We thank him for his service and his offer of continued support with the growth of VMC in whatever way possible,” said Mr. Wayne Hughes, CEO and Chairman.

About:

Virtual Medical Centre Inc

VMC is one of Australasia's leading healthcare websites providing accurate, timely, accredited and free medical information. VMC vets its material and content using the services of over **1000** Editorial Advisory Board members from around the globe that review, write, and manage the quality control of the more than **40,000 pages** of medical information, videos, surveys, reviews, forums and content that is **updated every 12 hours**. This allows VMC to take both a clinical approach, and consumer patient approach to providing information and content to its visitors. VMC’s content is written and edited by doctors for doctors, as well as content written by doctors for consumers and patients, which results in more than **550,000** visitors a month and **4.5 million** page views.

Safe Harbor: This press release contains forward-looking statements, particularly as related to, among other things, the business plans of the Company, statements relating to goals, plans and projections regarding the Company's financial position and business strategy. The words or phrases "would be," "will allow," "intends to," "may result," "are expected to," "will continue," "anticipates," "expects," "estimate," "project," "indicate," "could," "potentially," "should," "believe," "think", "considers" or similar expressions are intended to identify "forward-looking statements." These forward-looking statements fall within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Act of 1934 and are subject to the safe harbor created by these sections. Actual results could differ materially from those projected in the forward-looking statements as a result of a number of risks and uncertainties. Such forward-looking statements are based on current expectations, involve known and unknown risks, a reliance on third parties for information, transactions or orders that may be cancelled, and other factors that may cause our actual results, performance or achievements, or developments in our industry, to differ materially from the anticipated results, performance or achievements expressed or implied by such forward-looking statements. Factors that could cause actual results

to differ materially from anticipated results include risks and uncertainties related to the fluctuation of global economic conditions, the performance of management and our employees, our ability to obtain financing, competition, general economic conditions and other factors that are detailed in our periodic reports and on documents we file from time to time with the Securities and Exchange Commission. Statements made herein are as of the date of this press release and should not be relied upon as of any subsequent date. The Company cautions readers not to place undue reliance on such statements. The Company does not undertake, and the Company specifically disclaims any obligation, to update any forward-looking statements to reflect occurrences, developments, unanticipated events or circumstances after the date of such statement. Actual results may differ materially from the Company's expectations and estimates.
